Leave the campsite and **turn left** in the direction of the bridge over the Luceférit and Ferreira. At the end of the road, after 5.3 km (3.3 miles) you will reach the village of Ferreira. **Turn left** in the direction of Montejuntos. After entering the village of Montejuntos **turn left** again in the direction of **Azeinhas del Rei**. Go always **straight** on the tarmac road for about 4 km (2.5 miles) until you reach the River Guadiana.

Here is a nice public **fluvial beach** (Liberty Beach) facing the Spanish coast with a pontoon, tables, chairs and sun umbrellas, a site ideal for picnic, sunbathing and swimming.

Follow the same road back to return to the campsite.
