

If you come via the motorway from Spain: Leave the motorway (A6) at exit 12 (Elvas Este). Continue towards the town and at the **7th roundabout**, take the exit marked '**Espanha**'. (So in fact going back on yourself) **Then immediately turn the 1st right** in the direction of Juromenha and Alandroal. Continue straight at 4 more roundabouts and leave the city onto the N373 until the Rosário exit after 30 kms. From the Rosário exit onwards, follow the signs with red caravan and blue arrow along the road for another 13 kms. to the campsite.
